FEATURED ITEM: ASPARAGUS, JUMBO

FARM: ZUCKERMAN FARMS

LOCATION: STOCKTON, CA

ORDERING SKU: 6872

Jumbo asparagus are a specific varieties that maintains its tenderness and firm texture when harvested maturely. Native to the Mediterranean, plants take 2 or 3 years to come into full production but then produce delicious spears every spring for 10 to 15 years. This is the first week for Jumbo and will be readily available for the next few months.
