FEATURED ITEM: POTATO, ALASKAN FINGERLING

FARM: WEISER FAMILY FARMS

LOCATION: TEHACHAPI & LUCERNE VALLEY, CA

ORDERING SKU: 24620

A brand new variety grown by Weiser Family Farms and no one else. These fingerlings have the texture of a French crossed with a Yukon Gold. When cut open, the flesh is more golden than a Yukon and has a sweet buttery flavor. The best part is they don't breakdown when boiling but are softer than a Russian Banana.
