FEATURED ITEM: APRICOTS, HARCOT

FARM: TENERELLI FARMS

LOCATION: LITTLE ROCK, CA

ORDERING SKU: 6945

This week's Apricots from John Tenerelli are amazing. They have a perfect balance of sugar and flavor. A larger variety, they are great to eat fresh as a snack or prepared in a desert. When choosing an apricot, one should look for a firm plump piece of fruit with a yellowish-orange color. They are fully ripe when soft and juicy.
