This is a memorable one for me. Available next Wednesday in good supply will be the Splash Plums. Grown by Fitzgerald Kelly in Fresno Co., these beauties taste as good as they look. The flavor to sugar balance is perfect. The flesh is a yellowish orange color and is perfect to be eaten as is. These are pre order only for the next few weeks so please don't miss out! Email: ckramer@westcentralla.com for pre-orders. ½ or full cases only.
